

The 5th Annual Congress of the South East Asian Thoracic Society (SEATS 2026, 11–14 November) will be held in conjunction with the 6th Multi-Disciplinary Lung Cancer Conference (MLCC 2026, 15 November) at the Grand Hyatt Singapore.

 PUT YOUR RESEARCH IN THE SPOTLIGHT

**Have you conducted research that could contribute to the future of thoracic care?
Could your work spark new ideas, conversations and collaborations?**

Submit your research for the opportunity to be selected for an oral presentation, showcase your work to an international audience and connect with leading experts across the field.

 COULD YOUR RESEARCH BE AMONG OUR AWARD-WINNING ABSTRACTS?

Outstanding contributions will be recognised across Surgery, Pulmonology and Oncology through the SEATS X MLCC 2026 Awards.

All award winners will receive:

-  Complimentary registration for SEATS 2027 Congress
-  A Certificate of Achievement recognising your contribution

Submit your abstract by 18 September 2026, 23:59 (GMT+8)
